**NOT TO BE USED FOR ANY PURPOSE, OR IN ANY MANNER, CONTRARY TO THIS LABEL UNLESS AUTHORISED UNDER APPROPRIATE LEGISLATION.**

### MIXING INSTRUCTIONS

Always add the Fruit Drying Oil with stirring to the prepared potash solution.

### PROTECTION OF WILDLIFE, FISH, CRUSTACEANS AND THE ENVIRONMENT

Do not contaminate streams, rivers or waterways with the chemical or used container.

### STORAGE AND DISPOSAL

**Keep out of reach of children.**

Store in closed, original container in a well-ventilated area, as cool as possible. Do not store for prolonged periods in direct sunlight. Triple or, preferably, pressure rinse containers before disposal. Add rinsings to spray tank. Do not dispose of undiluted chemicals on-site. If not recycling, break, crush, puncture and bury empty containers in a local authority landfill. If not available bury the containers below 500mm in a disposal pit specifically marked and set up for this purpose clear of waterways, desirable vegetation and tree roots. Empty containers and product should not be burnt.

For refillable containers: Empty contents fully into application equipment. Close all valves and return to point of supply for refill or storage.

### SAFETY DIRECTIONS

Avoid contact with eyes and skin.

### FIRST AID

If poisoning occurs contact a doctor of Poisons Information Centre (PH 13 11 26).

### MATERIAL SAFETY DATA SHEET

Additional information is listed in the Material Safety Data Sheet which can be obtained from the supplier.
CONDITIONS OF SALE

The use of MISTROL being beyond the control of the manufacturer, no warranty expressed or implied is given by the manufacturer and their agents regarding its suitability, fitness or efficiency for any purpose for which it is used by the buyer, whether in accordance with the directions or not and the manufacturer and their agents accept no responsibility for any consequences whatsoever resulting from the use of this product.
